Reasons why you save with us.

1 Fixed Rates

NuVista Homes price protection guarantee offers you an 18 month mortgage rate hold and preferred mortgage rates when using our preferred lender. We want to ensure you get the best rate secured when buying your new home.

2 List for Free

Our list for free saves you 50% of the realtor fees on the sale of your existing home when you use NuVista Homes' preferred realtor. This could save you thousands. This is savings in your pocket that we are sure you can use when moving.

3 Legal fees paid

NuVista Homes will pay your "legal fees" (up to \$1250) when you use our preferred lawyer and lender. It's just another way to help you save money.

4 Move-in Concierge

We provide a complimentary move-in concierge service, powered by Virtuo. Your dedicated **Move-in Concierge** will take care of all those details that usually cause head aches and hours of your time, so that you can have a stress free move.

5 Waste Reduction

One of the best ways to build a "green home" is by ensuring the excess construction materials that are left over are properly recycled. NuVista Homes Ltd. in partnership with Recycleworx Recycling recycles 76% or 15,200 pounds of construction related waste. We adopted an ethical and green approach to building homes by diverting construction waste from landfills and reducing pressure on our forests. We have our building waste materials recycled into other value added products. This helps save our planet from unnecessary wasted wood products and excess green house gases.

6 Referral Program

With NuVista's referral program, we give you the opportunity to share your good experience with family and friends and help them save too. When you refer a new homeowner, we will give you \$2,000 when they possess their new home, and we will give them \$1,000 as well.
